

Electro-mechanical Technician

\$24 an hour at [Precision Record Pressing Inc.](#) - Burlington, ON Canada

Precision Record Pressing is a leading vinyl record pressing company located in Burlington, Ontario. We believe our growth and success can be directly attributed to the emphasis we place on service, quality, and innovation and the involvement, commitment, and enthusiasm of our employees. We are currently looking for **electro-mechanical technicians** to join our team. This is a full-time, permanent opportunity that is responsible for installation, preventative maintenance, troubleshooting and repair of mechanical equipment that support production, packaging, and facility operations. This position includes shiftwork, on-call participation and requires independent work. We are looking for a positive, energetic person who is highly motivated and wants to work in a team environment!

Responsibilities

- Assist in the development and execution of our preventative maintenance program through scheduled downtime and autonomously, on all plant equipment
- Repair, rework, or calibrate hydraulic or pneumatic assemblies or systems to meet operational specifications or tolerances
- Test performance of electrical, electronic, mechanical, or integrated systems or equipment
- Read blueprints, schematics, diagrams, or technical orders to determine methods and sequences of assembly
- Participate in JHSC audits and corrective actions
- Troubleshoot and repair equipment failures throughout our facility
- Analyze failures and make suggestions to prevent reoccurrence
- Define and evaluate current methods for improvements
- Ensure equipment safety devices are intact through inspection and testing
- Liaison with all internal customers, Precision Management Team, contractors, and suppliers
- From a process description and/or drawing, perform modifications to improve equipment and processes and install as required
- Work in conjunction with Engineering and Automation team members
- Support capital projects as required

Requirements/Qualifications

- Electro-mechanical Technician Diploma
- 0-5 years relevant experience in the field of electro-mechanics
- Knowledge of various legislations including but not limited to: Occupational Health & Safety Act
- Strong mechanical, electrical and technical background
- Experience with PLC programming (preferred)
- Embraces change and has a continuous improvement mindset
- Proven analytical and problem-solving skills. Ability to quickly understand and identify issues and implement solutions
- Strong leadership skills and ability to work autonomously
- Results oriented and able to work in a team-based environment
- This role will require you to work in a 3-shift operation

We thank you in advance for your application, however only successful candidates will be contacted. Precision Record Pressing is committed to and supports diversity and inclusion practices. We will accommodate any needs under the Ontario Human Rights Code (OHRC) and Accessibility for Ontarians with Disabilities Act (AODA). Should you require accommodation through the application and/or recruitment process, please contact hr@precisionpressing.com to allow opportunity for appropriate accommodations to be made.
